

SWGC GENERAL MEETING MINUTES
September 9, 2021

Board Present: Patrice King, Terry Moher, Erni Torres, Carol Vander-Haeghen, Terry Bayless and Sheila Kelly. Michele Torrey and Suzie Lundin absent

President:

Patrice discussed how club will be starting up games again, resuming general meetings, attendance sheets. Need suggestions on how to do the game sign ups and giving out the monies. She also mentioned that we will have a vacancy of the Vice President next year. An attendance sheet and desk sign up sheet was passed around.

Vice President:

Erni discussed the Christmas party. Vendors were too expensive and needed a minimum of 30 people. As this is not do-able, the Christmas party will be in the park with box lunches after golf on 12/2 if weather permitting. Plan B is 12/9. White elephant presents were brought up. Vicki and Joanne will help Erni.

Tournament:

Michele and Suzie were unable to be at the meeting. They will update regarding the Red and Blue tournament if we have enough interest. The International Tournament will resume next year.

Handicap:

Sheila wants to make sure everyone posts.

Treasurer:

Ending bank balance \$3628.64. Terry also explained how we now have GPS on our GHIN app and gave a short lesson

Membership:

Terry said that as of Sept 9, 20 members were signed up for next year so far.

Rules:

Cindy will revisit current Covid rules

As a side note, USGA disapproves with not playing certain holes because of just not wanting to. People seem to take advantage of it. Play every hole you can. If you can't play hole, tee off, then take your max.
