

SWGC GENERAL MEETING MINUTES

APRIL 7, 2022

1:20 pm

Board Present: Erni Torres, Terry Moher, Sheila Kelly, Michele Torrey, Suzie Lundin, Carol Vander-Haeghen. Patrice King, Terry Bayless and Jill Cagle did not attend.

President: Patrice was absent. Erni discussed how the games worked on game day and using the three cards to take score for ringer, handicap and games. It appeared to be somewhat confusing as the game card does not match up to the handicap card because of the way the course is at the time. Discussed easier ways to do the games. Decided to do away with ringer for the moment and have two cards for each cart. Handicap and the game even though scores will be different between them as 1a and 1b have to be counted in the games. 8 will not be on the card. However, on the handicap card, it will be like before with par plus pops on 1a and 1b and 8. It will be tried for at least a month.

Vice President: See above

Treasurer: Terry Moher said there \$2000 excess in the budget

Handicap: Sheila thanked everyone for posting on time the last week

Membership: Terry Bayless was absent. But Rita McPhail is a new member. We now have 47 members.

Tournament: Michele and Cheryl discussed ideas how to streamline the process for the games and if we should have them at all. It was voted not to have Club Championship in May.

Committees:

WPLGA: Carolyn Sherman absent

RULES: Cindy will study the rules again and perhaps each general meeting, we can talk about a certain hole and the rules for that hole
