**Vice President:** Jill and Erni have a luncheon planned after the Partners Eclectic on June 23 at Fratellos. A price will be determined for the members and the club will pick up the rest.

**Treasurer:** Terry stated we have \$2500 excess in the budget. Ending balance is \$6096.60

**Handicap:** Sheila wants to make sure everyone posts. And use SWGC temp – it's the last line on the app

**Tournament:** Michele will put an email out regarding the Partners Eclectic and the Low Net games. So members can understand scoring. See below also for Cheryl's discussion. For the weekly games, for May we are doing Low Net games only.

**Membership:** Terry Bayless stated Rita McPhail is our new member. Now have 47 total. You must be a part of SCGA for Shorecliffs to join and to play.

**Cheryl Waters:**

Cheryl presented a giant scorecard and tutorial on how to take score for low net.

- Par + pops on 1a and 1b and 8 - included in the game score for low net. Both cards.
- Highlight the holes in the games to help on scorecard
- Course not rated and won't be until course completed
- Adjust for low net – play out all holes and adjust For example on hole 3, your real score is an 8, you take your par + pops, whatever that would be and put on the scorecard 8/6
- Both cards must match – one for game and one for handicap. Adjust on the handicap card.
